Join the ships on 9, 10 or 11 September for a wonderful day sail in Melbourne! Experience life on board for a day!

Three historic tall ships, Bark 'EUROPA', 'OOSTERSCHELDE' and 'TECLA' conducting a circumnavigation together, their voyage started in 2012 in the Netherlands and brought them to Brazil, Antarctica, South Africa and Mauritius and now to Australia!

Hoist the sails and steer the wheel.
